

SCRIP GIFT CARD PROGRAM

Earn credit towards your school tuition and help our school through everyday purchases!

WHAT IS SCRIP?

SCRIP cards are activated gift cards that can be used just like cash.

SCRIP can be used to purchase everyday things like groceries, clothing, gasoline, and other essentials from your favorite stores.

Great gift idea for friends & family!

HOW DOES IT WORK?

Atonement Lutheran School receives a rebate from the retailers, ranging from 1% to 25%. If purchased by a school family, half of that rebate amount comes back to you as a credit on your tuition account, and the other half remains with the school.

Purchase items you need AND help our school at the same time!

Your family is going out to dinner at your favorite restaurant and you want to purchase \$200 in SCRIP cards to pay the bill.

The restaurant offers a 5% rebate, so a rebate of \$10 is awarded to our school from your purchase.

The \$10 rebate is distributed as follows:
\$5 tuition account credit & \$5 to Atonement Lutheran School

You need to make your regular grocery run. You purchase \$100 in SCRIP cards from your local participating grocery store.

The grocer offers a 4% rebate, so a rebate of \$4 is awarded to our school from your purchase.

The \$4 rebate is distributed as follows:
\$2 tuition account credit & \$2 to Atonement Lutheran School

Your child was invited to a birthday party and you decide to gift a \$50 gift card to a participating retailer.

Your favorite store offers an 8% rebate, so a rebate of \$4 is awarded to our school from your purchase.

The \$4 rebate is distributed as follows: \$2 tuition credit & \$2 to Atonement Lutheran School
